SCHEDULE

CARIBBEAN AGRICULTURAL RESEARCH AND
DEVELOPMENT INSTITUTE ACTAgreement Establishing the Caribbean Agricultural
Research and Development Institute*[Section 2]**The Contracting Parties*

SHARING a common determination to promote social stability and a better quality of life for the peoples of the Region;

RECOGNISING the merits of a regional organisation for agricultural research and development;

AWARE that the solution to the problems of agriculture on a regional basis will complement the current efforts towards regional economic integration and particularly the efforts towards regional co-operation in agricultural development;

CONSCIOUS of the need for efficient and adequate national extension services;

CONVINCED that the establishment of a regional institution for agricultural research and development will facilitate the achievements of these needs;

HEREBY AGREE AS FOLLOWS:

ARTICLE 1

Establishment

The Caribbean Agricultural Research and Development Institute (hereinafter referred to as “the Institute”) is hereby established having the membership, powers and functions hereinafter specified.

ARTICLE 2

Membership

1. Membership of the Institute shall be open to,
 - (a) States listed in the Annex to this Agreement;
 - (b) Any other State of the Caribbean Region which becomes a member or Associate Member of the Caribbean Community.
2. The States listed in the Annex to this Agreement, the Governments of which sign this Agreement in accordance with Article 18 and ratify it in accordance with Article 19 shall become Members of the Institute.

ARTICLE 3

Objects of the Institute

1. The objects of the Institute shall be,
 - (a) to provide for the research and development needs of the agriculture of the Region as identified in national plans and policies;
 - (b) to provide an appropriate research and development service to the agricultural sector of Member States;
 - (c) to provide and extend the application of new technologies in production, processing, storage and distribution of agricultural products of Member States;
 - (d) to pursue for specified periods long-term research in pertinent areas;
 - (e) to provide for the co-ordination and integration of the research and development efforts of Member States where this is possible and desirable;

- (f) to undertake teaching functions normally at the post-graduate level, limited to the development of the relevant research by any Member State;
- (g) to seek to achieve the optimum decentralisation of facilities.

2. For the purposes of this Article the Institute may take such action as may be necessary or expedient for the attainment of its objects and the performance of its functions.

ARTICLE 4
