- (d) a Committee of Standards and Codes hereinafter referred to as “the Standards Committee,”

constituted in accordance with Regulations which may be made by the Council for this purpose.

15.—(1) It shall be the duty of the Education Committee to recommend to the Council,

Functions of Committees.

- (a) the establishment of Examination Standards, develop Syllabi and Training Programmes for refrigeration and air conditioning technicians in Belize;
- (b) the recognition of any examination in refrigeration and air conditioning the passing of which ought, in the opinion of the Committee, to qualify persons for licensing under this Act;
- (c) the holding of any examination in refrigeration and air conditioning which ought, in the opinion of the Committee, to be passed by applicants for licensing under this Act, and

to hold examinations in refrigeration and air conditioning in accordance with this Act and any Regulations made under this Act.

(2) It shall be the duty of the Legislation Committee to develop By-Laws and Regulations for approval by the Council and the Association in accordance with this Act and any Regulation or By-Laws made under this Act.

(3) It shall be the duty of the Standards Committee to develop, establish, implement and update minimum standards, industry guidelines and criteria for the refrigeration and air conditioning sector in Belize.

Licensing of new
Refrigeration
Technicians.

16.—(1) Subject to section 12 of this Act, a person who, after the commencement of this Act, applies to the Admissions Committee in the prescribed manner to be licensed as a Refrigeration and Air Conditioning Technician and who satisfies the Committee that he is,

- (a) qualified to be so licensed; and
- (b) physically and mentally fit to practise the refrigeration and air conditioning profession in Belize,

shall be entitled, on payment of the prescribed fee, to be licensed as a Refrigeration and Air Conditioning Technician, and to be admitted to the membership of the Association.

(2) It shall be the duty of the Admissions Committee to consider every application for licensing under this Act and to report to the Council whether or not the applicant is, in the opinion of the Committee, fit and qualified for licensing as a Refrigeration and Air Conditioning Technician.

(3) A person is qualified to be licensed as a Refrigeration and Air Conditioning Technician under subsection (1)(a) of this section, if he holds a diploma, degree, fellowship, membership, license, certificate, or other status or form of recognition or registration granted by a University, College or Board empowered to confer authority to practice refrigeration and air conditioning by the law of the country or place where such diploma, degree, fellowship, membership, license, certificate or other status is granted and which in the opinion of the Admissions and Education Committees is evidence of satisfactory refrigeration and air conditioning training.

(4) An applicant for licensing shall furnish to the Admissions Committee,

- (a) evidence of his professional qualifications and experience;
- (b) proof of his identity;

- (c) proof of current license, if applicable; and
- (d) such other information as the Admissions Committee may require.

(5) The Council shall cause a written notice of its decision on any application for licensing under this section to be served on the applicant within the prescribed period after the date of the decision.

(6) Where the Admissions Committee recommends to the Council the recognition of any diploma, degree, fellowship, membership, license, certificate or other status under subsection (3) of this section, the Council shall recognize that qualification for the purposes of paragraph (a) of subsection (1) of this section.

(7) Subject to the foregoing provisions of this section, the Admissions Committee and the Council shall favourably consider the applications of Belizeans nationals for licensing as Refrigeration and Air Conditioning Technicians and shall use their utmost endeavours to ensure that the interests of Belizeans as to the membership of the Association are duly protected.

17.—(1) If the Admissions Committee recommends to the Council that an applicant is fit and qualified to be licensed as a Refrigeration and Air Conditioning Technician, the Council shall, after receiving the prescribed licensing fee from the applicant, issue him with a License in the prescribed form.

Licence and Certificate of Registration.

(2) The Council shall, after issuing a license, authorize the Secretary in writing to enter the name of the applicant in the Register, and the Secretary shall as soon as possible enter the name of the applicant in the Register and furnish the applicant with a certificate of registration in the prescribed form for refrigeration and air conditioning.

(3) A license shall expire on the 31st of December in each year and must be renewed in accordance with section 13 of this Act.

(4) Subject to this Act and any regulations made there under, the Council may attach to the issue or renewal of a licence such conditions as may have been approved by a two-thirds majority of the membership of the Association at an Annual or Special General Meeting.

(5) In the event of a breach of any of the conditions of the licence, the Council may, after giving the licence-holder a reasonable opportunity to make representations in that behalf, revoke or suspend the licence.

Use of titles.

21. A licensed person shall be entitled to take and use the name or title of "Licensed Refrigeration and Air Conditioning Technician," but no person shall practice under any name, title or style containing the words

“Licensed Refrigeration and Air Conditioning Technician” unless he is licensed in accordance with the provisions of this Act, and any unlicensed person who so practices or wilfully pretends to be a licensed Refrigeration and Air Conditioning Technician, or takes or uses the name or title of a licensed Refrigeration and Air Conditioning Technician or any name, title, style or description implying that he is a licensed person, is liable on summary conviction to a fine not exceeding five thousand dollars or to imprisonment for a period not exceeding one year, or to both such fine and period of imprisonment.

22. For the purpose of maintaining the Register the Council may at any time by notice in writing addressed to the last known address of any Refrigeration and Air Conditioning Technician as reflected in the Register, enquire if such a professional has changed his regular business address, and if no answer is received within six months from the sending of such notice, the Council shall again send to the Refrigeration and Air Conditioning Technician a further notice by registered post, and if no answer is received within three months from the sending of the further notice, it shall be lawful for the Council to cause the Secretary to remove the name of the Refrigeration and Air Conditioning Technician from the Register.

Removal of name from Register for failure to notify present address.

23.—(1) A person who procures or attempts to procure a licence as Refrigeration and Air Conditioning Technician for himself or for any other person by making or producing or causing to be made or produced any false or fraudulent representation or declaration, either orally or in writing, commits an offence and is liable on summary conviction to a fine not exceeding five thousand dollars or to imprisonment for a period not exceeding one year or to both such fine and term of imprisonment.

Offences and penalties.

(2) Any person who, during a period when his licence as a Refrigeration or Air Conditioning Technician under this Act is suspended, or who, not being licensed as a Refrigeration and Air Conditioning Technician, practices refrigeration and air conditioning services or any branch of this profession, or acts as a partner of any Refrigeration and Air Conditioning Technician commits an offence and is liable on summary conviction to a fine not exceeding five thousand dollars or to imprisonment for a term not exceeding one year, or to both such fine and term of imprisonment.

General penalty provision.

24. A person who contravenes any provision of this Act for which no other penalty is provided is liable on summary conviction to a fine not exceeding five thousand dollars or to imprisonment for a period not exceeding one year or to both such fine and period of imprisonment.

Recovery of penalties.

25. All penalties and fees imposed by or pursuant to this Act may be recovered summarily.

Time limit for proceedings.

26. Any proceedings under this Act may be instituted within twelve months after the offence is committed, or within twelve months after the discovery of the offence, whichever is the later period.

Association to be governed by its Constitution.

27.—(1) The Association shall be governed by its Constitution set out in the Schedule to this Act which Schedule shall be read and construed as an integral part of this Act.

(2) The Association may, from time to time by a two-thirds majority of its membership, amend the Schedule by notice published in the *Gazette* and in at least one national newspaper.

Regulations.

28.—(1) The Council may, with the concurrence of two-thirds majority of the Membership of the Association and with the approval of the Minister, make Regulations generally for giving effect to the purposes and provisions of this Act and in particular, but without prejudice to the generally of the foregoing, may make Regulations,

- (a) prescribing any other requirements or criteria which shall be prerequisites for licensing;
- (b) prescribing the form of the Register and any notice or document required to be given or made under this Act;
- (c) prescribing the level of fees payable under this Act;
- (d) requiring the making of returns of information by members of the Association in respect of names, addresses, telephone numbers, professional partners, employees and areas of professional activity;

- (e) requiring refrigeration and air conditioning technicians to keep books and records of business transactions;
- (f) prescribing a code of ethics for Refrigeration and Air Conditioning Technicians;
- (g) prescribing forms which are required to be prescribed under the provisions of the Act;
- (h) prescribing any other matter or thing which may be, or is required by this Act to be prescribed.

(2) Regulations made under this section may provide that any person who contravenes the Regulations is liable on summary conviction to a fine not exceeding five thousand dollars or to imprisonment for a period not exceeding one year, or to both such fine and period of imprisonment.

(3) All regulations made by the Council under this Act shall be subject to negative resolution.
